

# Classic Cape Cod

## Monday: Woods Hole Oceanographic

Today, Woods Hole Oceanographic will be visiting the Ridge Club and we will get to do a Show & Tell! Afterwards, we will do a fun craft that relates to the topics that they discussed in their visit! How exciting!

## Tuesday: A Day at the Beach

Who can make the best sand castle? Well, today, you will get to prove that you can! We will have pits of sand, and campers will compete for the title of best sand castle builder. After this is finished, campers will create a photo frame with their favorite Cape Cod photograph/memory so make sure to bring in a picture that means something to you!

## Wednesday: Country Fair Extravaganza

The Barnstable County Fair is so fun that this year we will get the opportunity to attend twice! We will have a cotton candy machine, make our very own ice cream in a bag, and Green Briar will come to visit so that we can visit with the animals just like the real Barnstable Fair!

## Thursday: Cranberry Creations

Today, campers will create cranberry wreaths and bring them home to hang for the holidays! Nothing says Cape Cod more than crafting with cranberries.

## Friday: Town Scavenger Hunt

Today, campers will complete a fun scavenger hunt throughout the Ridge Club that gives hints about Cape Cod. Make sure that you brush up on your Cape Cod facts before arriving to camp on this day!
