

**Mackenzie Sullivan**  
**Kids Academy Director**

Mackenzie Sullivan is 23 years old and graduating from Saint Anselm College in May with a Bachelor's Degree in Elementary Education. Her passion for working with kids was formed at a very young age and she is excited to make her dream a reality upon graduation. Mackenzie was born and raised in Sandwich, but her family has recently moved to Plymouth. The Sandwich community means a great deal to her because when she was a child she participated in day camps through Sandwich High School, namely tennis and theatre. Some of her fondest childhood memories are from those camps and the friendships she made at an early age still remain today. Mackenzie recognizes how important it is for children to interact with a group of people outside the classroom and be able to form high quality social and life skills. She is excited to establish herself as The Ridge Club Kids Academy Director and begin what she hopes to be a long lasting relationship.
